

Terms of Service

Thank you for your interest in using the browser-based version of Geometry Expressions (“GXWeb”) operated by Saltire Software Inc. (“Saltire”)

1. GXWeb

GXWeb allows you to create mathematical models graphically and read out results in both numeric and symbolic form. By using GXWeb, you agree to be bound by these Terms. If you do not agree to these Terms, you are not permitted to use GXWeb.

2. Personal Use Only

You agree to use GXWeb only (a) as an end user, for your personal use or (b) as a teacher, for academic use by you and your students in individual classes. Saltire does permit certain third parties to incorporate GXWeb into their Website under a separate agreement.

3. Intellectual Property

The GXWeb software is protected under United States and international copyright laws, is subject to other intellectual property and proprietary rights and laws, and is owned by Saltire or its licensors. The Software may not be copied, modified, reproduced, republished, posted, transmitted, sold, offered for sale, or redistributed in any way without the prior written permission of Saltire.

4. Modifications to Terms and Services

a. *Modifications.* These Terms may be revised periodically and this will be reflected in the “date last modified” set forth below. Your continued use of GXWeb following such update constitutes your agreement to the revised Terms. If you object to any such changes, your sole recourse will be to cease using GXWeb. Continued use of GXWeb following notice of any such changes will indicate your acknowledgement of such changes and agreement to be bound by the terms and conditions of such changes. Saltire reserves the right to modify or discontinue GXWeb with or without notice to you.

b. *Date Last Modified.* These Terms were last modified on April 3rd, 2017
